

FILM & TV ACADEMY

DIPLOMA IN FILM & TV PRODUCTION

- Our staff and faculty have won numerous awards and accolades at top international and local film festivals
- Work with top-notch equipment and facilities including a High Definition (HD)-ready studio, digital cinema and film cameras, surround sound mixing and multi-track recording studios

The Art of Filmmaking

As one of Malaysia's most established filmmaking course, FILM & TV ACADEMY grounds you with an excellent foundation in both the artistic and technical aspects of filmmaking. Stretch your imagination and tell compelling stories while leveraging on a wide array of filmmaking tools and the latest post-production facilities for image, sound, motion graphics and visual effects with professionals from our sister company, outLOUD Studios.

Real-world Exposure

At FILM & TV ACADEMY, you will be introduced to a filmmaker's craft with hands-on practice in a professional studio environment working with professionals who are Film Producers, Directors and Editors who will be producing projects for RTM, Media Prima or Astro. You will get to work with the latest cinema cameras, surround sound mixers and multi-track recording studios. In your final year, you have the option of working on your own film project, or undertaking an industry project, and embarking on a four-month internship in the film and media industry.

Career Prospects

You will be able to pursue a dream career in film or television production as a Director, Producer, Cinematographer, Editor, Scriptwriter or even an Actor! Other areas open to you include Motion Graphics, Sound Recording and Design, as well as content development.

You could write your own pay cheque! Set up your own production company or make your mark as an independent filmmaker!
